SUMMER 2024

HOLIDAY ACTIVITY AND FOOD PROGRAMME IN BATH AND NORTH EAST SOMERSET SUMMER 2024

WHAT IS IT?

The Holiday Activities and Food Programme (HAF) in Bath and North East Somerset (B&NES) provides funded holiday activities for all children and young people aged 5-16 years old (reception to year 11), who receive benefits related free school meals (FSM). We have a wide selection of childcare, sports, outdoor education and activity programmes on offer across Bath and North East Somerset this Summer 2024.

WHO IS IT FOR?

All HAF camps and programmes are funded and include a meal for any child or young person in receipt of benefit related free school meals (FSM). We have primary/secondary aged provision available in B&NES, please only book a place if you know your child can definitely attend.

HOW DO I BOOK?

All eligible children and young people will receive their unique HAF pass through the Holiday Activities platform.

These will be sent directly to the contact associated with the child or young person.

You can then view and book the activities on offer from this direct link.

All children and young people have been allocated 16 credits, which can be used to book 16 different activities across the Summer Holidays.

FREQUENTLY ASKED QUESTIONS

How many days can my child attend?

All eligible children and young people will have 16 credits for Summer 2024. Each credit allows for one session per child/young person.

How do I book?

Holiday Activities is the booking platform that is used in Bath and North East Somerset. Eligible families will be emailed or texted a link directly by the Holiday Activities team or by your child's school. Families then click on the link which takes them to the booking platform. On the booking platform you can search by provider or postcode to find activities. Each booking link is unique to one child, if you have more than one child you need to book via each separate email/ text you are sent.

Does it matter if I book and then don't use the place?

Yes, it does! The government have funded each place, Most sessions have a waiting list, so please call the provider if your child can no longer attend and they can offer the place to another child. All places not attended still cost around £80 per child so please let us know if there is a change of plans.

Can you support us in getting our children or young person to an activity?

There is a limited budget for transport costs to support access to your nearest activity. Please speak to the activity provider who can then claim additional funding to help cover transport costs.

My child has special educational needs or a disability, can they still attend?

The HAF service is inclusive but please contact the provider when booking to tell them about your child's needs. This will allow them to adapt and where possible arrange extra support to help your child get the most from HAF. There are some limited SEND only sessions on offer through Bath Area Play Project.

I'm not eligible for a funded place, can my child take part in the activities?

Many of the activities are open to paid for places and funded places. Please contact your preferred activity provider to see if they accept paid for places on their camps.

I don't need childcare this summer, so why should I book a place for my child?

The activities, trips and sessions on offer this summer are a fun and engaging way for children and young people to socialise, make friends, try something new or perfect a skill! Each session includes a free meal for your child. Don't forget we also have family sessions, so if you are not working you can enjoy a free family activity like bowling and softplay.

The sessions have really helped his confidence ”

“ I am grateful for the programme as my child was new to the UK and very unsettled. I also need to work and I am happy that there is somewhere for him to go and feel safe. ”
