# HOLIDAY ACTIVITY AND FOOD PROGRAMME IN BATH AND NORTH EAST SOMERSET SUMMER 2025

## WHAT IS IT?

The Holiday Activities and Food Programme (HAF) in Bath and North East Somerset (B&NES) provides funded holiday activities for all children and young people aged 5-16 years old (reception to year 11), who receive benefits related free school meals (FSM). We have a wide selection of childcare, sports, outdoor education and activity programmes on offer across Bath and North East Somerset this Summer 2025.

## WHO IS IT FOR?

All HAF camps and programmes are funded and include a meal for any child or young person in receipt of or benefit related free school meals (FSM). We have primary/secondary aged provision available in B&NES, please only book a place if you know your child can definitely attend.

## HOW DO I BOOK?

All eligible children and young people will receive their unique HAF pass through the Holiday Activities platform via text or email on Tuesday 1<sup>st</sup> July, this will entitle you to use 8 credits on the booking system with a further 8 credits being issued on Tuesday 8<sup>th</sup> July.

These will be sent directly to the contact associated with the child or young person. You can then view and book the activities on offer from this direct link.

All children and young people have been allocated 16 credits, which can be used to book up to 16 different activities or dates across the Summer Holidays.

## How many days can my child attend?

All eligible children and young people will receive 16 credits for Summer 2025. Each credit allows for one session per holiday provision.

## How do I book?

Holiday Activities use the booking platform that is used in Bath and North East Somerset. Eligible families will be emailed or texted a link by the Holiday Activities team or by your child's school. Families then click on the link which takes them to the booking platform. On the booking platform you can search by provider or postcode to find activities. Each booking link is unique to one child. If you have more than one child you need to book with each separate email/text you are sent.

## Does it matter if I book and then don't use the place?

Yes, it does! The government have funded each place. Most sessions have a waiting list, so please call the provider if you no longer need your place and they can offer the place to another child. If you book a HAF activity and have a change of plan please make sure you let us know by cancelling the booking, we can then offer the place to another child.

## Can you support us in getting our children or young person to an activity?

There is a limited budget for transport costs to support access to your nearest activity. Please speak to the activity provider who can then claim transport funds to help cover transport costs.

## My child has special educational needs or a disability, can they still attend?

The HAF service is inclusive but please contact the provider directly when booking to tell them about your child's needs. This will allow them to adapt and where possible arrange extra support to help your child get the most from their Holiday Activity and Food Programme. We also have SEND specific sessions if you feel your child would prefer this option.

## I'm not eligible for a funded place, can my child take part in the activities?

Many of the activities are open to both paid for places and funded places. Please contact your preferred activity provider to see if they accept paid places on their camps.

## I don't need childcare this Summer, so why should I book a place for my child?

The activities, trips and sessions on offer this Summer are a fun and engaging way for children and young people to socialise, make friends, try something new or perfect a skill! Each session includes a free meal for your child.

# FAMILY FEEDBACK

“I feel really thankful that my children had the opportunity to attend. I am training to be a teacher so the sessions helped me catch up with my huge work load. My children all really really enjoyed the sessions. Thank you! ”

“My daughter loves the activities and during the holidays I have a lot of work on, so this is great chance for her to get out and let some energy off, she absolutely loves it! ”

“My favourite part of the day at Bath Rugby is designing and creating my own lunch each day and being able to try new combinations of ingredients! ”

“He is only just turned 5 so on his behalf I can say he had so much fun. It was his first holiday club and although he was quite nervous to start with, the coaches were patient and friendly and put him at ease quickly at the beginning of each session. The sessions have really helped his confidence. ”

“Thank you for helping, she has never ever wanted to give any new foods a go before. I will get some apples in at home! ”

“I am grateful for the programme as my child was new to the UK and very unsettled. I also need to work and I am happy that there is somewhere for him to go and feel safe. ”

“I cant believe how much he took part, he was so tired and slept well afterwards. Thank you for letting him be part of the show. I'd love to see if I can get him involved in this every week! ”

“My boys had the best time. So thankful this was an option for us. ”
